EXPERIENCE

UI/UX and Graphic Designer | Co-op and Part-time 06/2024 – 12/2024

Sheridan College S-Sense Program, Mississauga, ON

S-Sense is run by a team of 20+ developers, designers, and researchers and helps students develop agility and resilience through workshops and digital content.

- Supported the development of interface screens and improved the user experience for the Sheridan S-Sense mobile app.
- Organized and maintained the design system in Figma and improved consistency across interface designs. Participated in quality assurance testing to ensure adherence to the wireframes and design system.
- Identified and reduced redundancies in screens and interactions by compiling and examining a comprehensive wireflow of the mobile app.
- Collaborated with designers, developers, and researchers, and participated in weekly reviews and ideation sessions.

Peer Program and Course Tutor | Part-time 01/2023 – 04/2025

Sheridan College, Oakville, ON

- Offered weekly academic support to Interaction Design students across core program courses by clarifying concepts, problem-solving design and coding challenges, and providing feedback.
- Prepared learning materials for group and 1-on-1 sessions.
