

Hanh Trang Do

PRODUCT DESIGNER

trangdo.site | linkedin.com/in/hanh-trang-do | trangdohanh@gmail.com | (437) 329-1016 | Oakville, Ontario

Junior product designer with a bachelor's degree in interaction design and hands-on experience creating intuitive and meaningful digital experiences driven by research, empathy, and a passion for problem-solving. Open to in-person, remote, and hybrid roles.

EXPERIENCE

UI/UX and Graphic Designer | Co-op and Part-time

Jun 2024 – Dec 2024

Sheridan College S-Sense Program, Mississauga, ON

- Collaborated with 20+ designers, developers, and researchers to develop workshops and digital content helping students develop agility and resilience.
- Delivered intuitive mobile interface screens and visual assets, primarily for 4 key features, to improve the user experience and support the development of the S-Sense app.
- Improved consistency across interface designs by leading the continued development and maintenance of the design system in Figma and contributing to quality assurance testing.
- Led the planning of a comprehensive usability test to assess the app's ease of use and optimize user flows.
- Identified and reduced redundancies in screens and interactions by compiling a comprehensive wireflow of the mobile app.

Interaction Design Tutor | Part-time

Jan 2023 – Present

Sheridan College, Oakville, ON

- Improved students' understanding and application of design concepts through weekly in-class support and hybrid appointments.
 - Provided constructive feedback, problem-solved design and coding challenges, and worked with program faculty to support first-year students in 2 challenging courses.
-

SKILLS

Design: Visual Design, Data Visualization, Wireframing, Interactive Prototyping, Design System, Responsive Web Design, Frontend Development.

PROJECTS

Smart Documentation for Educators – UX/UI Designer & Researcher

Jan 2025 – Apr 2025

- Collaborated with 4 researchers and designers and an industry partner to develop a digital platform concept that provides real-time, practical support for early childhood educators.

- Led the design of an AI-integrated mobile documentation platform streamlining notetaking, reports, and communication for teachers.
- Awarded the runner-up in Red Thread Innovations' Purposeful Innovation Pitches.

EatWell Mobile App – Product Designer

Sep 2024 – Apr 2025

- Conducted surveys and interviews, in addition to extensive secondary research, to identify and understand challenges preventing postsecondary students from maintaining regular and healthy meals.
- Designed wireframes, prototyped, and conducted user testing to refine a minimum viable product for a mobile platform that reduces stress in meal activities for postsecondary students.
- Developed a scalable design system to streamline the design and prototyping process.

EDUCATION

Honours Bachelor of Interaction Design

Sep 2021 – Apr 2025

Sheridan College, Oakville, ON

Graduated with High Honours.

Board Undergraduate Certificate in Creativity and Creative Problem Solving
